**HSRC** is an international market and technology research firm specializing in Transformational Technologies, Homeland Security & Public Safety markets, technologies and industries. HSRC provides premium market off-the-shelf and custom reports on present and emerging technologies and industry expertise, enabling global clients to gain time-critical insight into business opportunities. HSRC's clients include the EU, NATO, U.S. Congress, U.S. Army, DOD and, DOT among others; as well as government agencies in Japan, Korea, Taiwan, Israel, Canada, UK, Germany, Australia, Sweden, Finland and Singapore. With over 1000 private sector clients (72% repeat customers), including major Fortune 2000 companies, HSRC earned the reputation as the industry's Gold Standard for Transformational Technologies, Homeland Security & Public Safety off the shelf and customized market reports.
